Department of Natural Resources

Inspection Photos

Location Name: Fort Saint Vrain 30

Location ID: 329147

Photo 1. The photo was taken from the well location entrance facing North. The photo illustrates the access road appears to have been seeded with evidence of seeding rows.

Photo 2. The photo was taken from the well location facing North. The photo illustrates the former pad has been mowed and appears to have been seeded although is still growing undesirables. The photo also illustrates that a prairie dog town is located on site and has pulled up road mix.
