COGCC Inspection Report Summary
WEATHER CONDITIONS: cloudy, dry ground.
On Wednesday, December 27, 2023 at approximately 1030, I, Inspector Brittani Santistevan, conducted an on-site inspection at KARAKAKES H14-63N (Noble Energy, Inc.), at location ID: 332634 in WELD COUNTY, Colorado.
While there, I observed a plugged and abandoned location.
During this inspection the following possible compliance issues were observed:
1. It appears there is a unused/disconnected gas meter on location. A form 6(S) was submitted 8/28/2023. Remove equipment to comply with Rule 606. (Corrective Action Date: January 27, 2024) See attached photo #3.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
This is a summary of inspection report.
