<p>COGCC Inspection Report Summary WEATHER CONDITIONS: sunny, dry ground. On Thursday, December 28, 2023 at approximately 1130, I, Inspector Brittani Santistevan, conducted an on-site inspection at UPRC 13-3J (Noble Energy, Inc.), at location ID: 329377 in WELD COUNTY Colorado. While there, I observed a temporarily abandoned wellhead. During this inspection the following possible compliance issues were observed: 1. It appears that the wellhead sign does not display an API number associated with the wellhead. Comply with Rule 605.d. (Corrective Action Date: January 28, 2024) See attached photo #4.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	12/28/2023
