COGCC Inspection Report Summary
 WEATHER CONDITIONS: sunny, dry ground.
 On Thursday, December 28, 2023 at approximately 1200, I, Inspector Brittani Santistevan, conducted an on-site inspection at CHACON H 13-18 (Noble Energy, Inc.), at API #: 05-123-28195 in WELD COUNTY Colorado.
 While there, I observed a temporarily abandoned wellhead.
 During this inspection the following possible compliance issues were observed:
 1. It appears that the wellhead sign does not display an API number associated with the wellhead. Comply with Rule 605.d. (Corrective Action Date: January 28, 2024) See attached photo #2.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
 This is a summary of inspection report.
