<p>ECMC Inspection Report Summary                      On Wednesday 1-3-2024 at approximately 1530 hrs. I, Inspector Robbie Revas,                      Conducted an on-site inspection:                      Operator: Oxy Kerr McGee                      Location name:                      Location ID # 330165                      Well Name: Baker Red V 1-14A                      API # 05-123-18533                      County: Weld                      Weather condition: Clear                      Location condition: Dry                      While there, I observed a wellsite, PR at the time of the inspection.                      During this inspection, I observed the following possible compliance issues:                      606 housekeeping: CA date 1-11-2024                      See attached photos.                      A follow up site inspection is needed to ensure that the addressed                      Compliance issues comply with ECMC rules.</p>	revasr	01/03/2024
