<p>COGCC Inspection Report Summary</p> <p>On Thursday 12/28/2023 at approximately 10:30 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Big Bend UPRR 41-19 #2 location #327520 in Weld County, Colorado.</p> <p>While there, I observed that the wellhead producer information and emergency contact number decals required replacement. During this inspection the following possible compliance issues were observed: Rule 605.d. with a corrective action date of 1/31/2024. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.</p> <p>This is a summary of the inspection report.</p>	petersont	12/28/2023
