<p><b>COGCC Inspection Report Summary</b>                      On Thursday 1/4/2024 at approximately 12:15 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Anadarko Johnstown Farms 12-9 Pad location #422751 in Weld County, Colorado.                      While there, I observed that the battery emergency contact number decals required replacement, unused equipment and trash on the location. During this inspection the following possible compliance issues were observed: Rule 605.e. with a corrective action date of 2/5/2024, Rule 606. with a corrective action date of 2/5/2024.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	01/04/2024
