**General Comment:****ECMC Inspection Report Summary**

On Tuesday, 01/17/2024, Inspector Kirby Burchett, conducted a follow up field inspection at KT Resources LLC on the Federal M-30-2-96-N well, Location #315898, in Rio Blanco County, Colorado.

This location is within or in close proximity to a Parks and Wildlife (CPW) District with Black Bear, High Priority, NSO, Density and Other Consultation Habitat regulations.

Any Corrective Actions from previous Inspections are still applicable.

Follow up inspection in response to compliance issues observed during Insp. #707800304 on 4/13/23. All Corrective Actions have not been resolved and original due dates will remain:

1. Lack of wildlife protection.

Refer to Inspection Photos for observed compliance issues.

While there during normal operations the following compliance issues were observed:

1. Chemical tank faded and illegible.

2. Gas meter calibration out of compliance.

Refer to Inspection Photos for observed compliance issues.

A follow up on this site inspection will be conducted to ensure all compliance issues have been corrected to comply with ECMC rules.
