Attention: Mr. James A. McKee, Petroleum Engineer

Gentlemen:

With reference to your letter dated July 29, 1957 concerning information requested covering wells drilled in Colorado, we wish to give you the following information:

1. #1-7 Hough. This location was never drilled.
- 2., 3. and 4. - #1 Peterson, #1 Whittier, #1 Tucker-Thomas, must have been drilled by Orrin Tucker or Homer Snowden. We have checked our files and find no record on these wells.

We trust this will give you the information required. If not, please advise.

Yours very truly,

Ben J. Simons
