Comment: **It appears that since the last inspection some reclamation activities have been conducted, however at the well location there is a large area of bare soil not shown in the Form 4 Reclamation Complete. Therefore this well location does not comply with Rule 1004.**

Corrective Action: _____ Date **05/15/2024**

Comply with Rule 1004. Reseed disturbance areas using a seed mixture requested by the surface owner, or a mixture prescribed by the local county NRCS. Establish vegetation with total perennial, non-invasive uniform plant cover of at least eighty (80) percent of reference area levels. Ensure erosion controls are implemented to stabilize the seeded soil. Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management.
