RE: Colorado Oil and Gas Conservation Commission (COGCC) Rule 304.d. Lesser Impact Area Exemption
Request Lussing Trust Pad (Form 02A Doc #403203774)
Lot 1 of Section 19, Township 4 North, Range 64 West
Arapahoe County, CO

Dear Director Murphy,

Crestone Peak Resources, LLC (CPR) respectfully requests a COGCC Rule 304.d Lesser Impact Area Exemption from the following rules:

- Exemption being requested from: COGCC Rule 304.c.(2) Noise Mitigation Plan
 - Resource Concern: *Noise originating from the location becoming a nuisance to proximate receptors.*
 - Exemption Circumstance: *Since the location is greater than 4,800 feet from the nearest Residential Building Unit (RBU) and is greater than a mile from the nearest high priority habitat, noise originating from the location is not anticipated to be a nuisance to nearby receptors.*
 - Description: *As seen on the aerial view of the area the nearest RBU is to the E and is measured at approximately 4,806' from the working pad surface.*
- Exemption being requested from: COGCC Rule 304.c.(3) Light Mitigation Plan
 - Resource Concern: *Light originating from the location becoming a nuisance to proximate receptors.*
 - Exemption Circumstance: *Since the location is greater than 4,800 feet from the nearest Residential Building Unit (RBU) and is greater than a mile from the nearest high priority habitat, light originating from the location is not anticipated to be a nuisance to nearby receptors.*
 - Description: *As seen on the aerial view of the area the nearest RBU is to the E and is measured at approximately 4,806' from the working pad surface.*

CPR respectfully requests that the COGCC review the enclosed information and approve the Lesser Impact Area Exemption Request for the subject pad. Please do not hesitate to contact me to discuss this request in further detail.

Sincerely,

Scott Farkas
