**COGCC Comments**

Comment	User	Date
<p>This is an orphaned well inspection. Inspection completed to document current condition of location, equipment, and wellhead. Inspection may also identify possible task required for final closure/release of location from the Orphaned Well Program. See link at end of report for path to downloadable documents and pictures.</p> <p>The tank battery is located 175' S of the LISCO 14-32 wellhead.  The tank battery shares the same Location ID as the LISCO 14-32 wellhead.  LISCO 14-32 wellhead is enclosed in a shed. Neither C LISCO 14-21 or C LISCO 14-31 are fenced.  C LISCO 14-21 wellhead is within the Colorado Air and Spaceport property, and fenced in.  No access directly adjacent to wellhead.</p>	abramsd	02/19/2024
