General Comments

<u>User Group</u>	<u>Comment</u>	<u>Comment Date</u>
Reclamation Specialist	Approval/Passing of the form 45 acknowledges that the Energy and Carbon Management Commission has received the notice. Areas detailed on the Form 45 as-built displayed on the COGIS map may not comprise all areas not needed for production operations, therefore requiring interim reclamation. A field inspection will be conducted at a future date to evaluate compliance with interim reclamation requirements.	02/20/2024
