Dear Commission:

Our office received a postcard dated 6/14/85, a copy of which is attached, stating that your office is in need of a Form 10 for the above well. Please be informed that the gas produced by the above well is used on the lease and none of the gas is transported off the lease.

If you have any questions, please feel free to contact me at our Denver office.

Very truly yours,

ALLISON DRILLING COMPANY, INC.
