Dear Mr. Bicknell:

This letter will serve as notification to the Oil and Gas Conservation Commission of Reichlinger Business Services's (RBS) intention to convert the subject well to a saltwater disposal well or to produce this well from a zone other than that which the proposed RBS #2 Dyar (N/2 SW SE Section 13, T2N-R54W) may be producing from. The saltwater disposal well conversion or the recompletion of the subject well will be concluded within six months of the date of the completion of the proposed RBS #2 Dyar.

Reichlinger Business Services will not under any conditions produce the subject well and the proposed RBS #2 Dyar from the same zone concurrently.

Sincerely,
