Dear Mr. Jersin:

Supplementing my letter of February 14, 1955, in which I enclosed notice of our intention to drill the captioned well, I made an error in giving the foot measurements of the location. Will you kindly correct the location to 660 feet North of the South line and 1980 feet East of the West line of the Southwest quarter, Section 13-2N-54W, Washington County, Colorado.

Yours very truly,
