COGCC Decision: Approved pending re-inspection

COGCC Representative: Approved pending re-inspection of this FIR resolution acknowledges the document was received. It is not an acknowledgement that the corrective action has been passed. A field inspection will be conducted at a future date to evaluate compliance with ECMC standards.

It appears the attached photo does not show the actual removal of weed debris but instead is responding to a comment made on the FIR for the portable toilet. The response to the comment is much appreciated but re-inspection will still need to be made for weed debris.
