COLO. OIL & GAS CONS. COM.

February 26, 1984

The Patrick A. Doheny #2-A Knight well, 2040' FEL & 600' FNL (NWNE) Section 35, T2N - R55W, Morgan County, Colorado was plugged on the above date, as per instructions by Mr. Ken Knight who farms the land owned by his father.

20 sacks of cement were placed at the bottom of surface casing, the hole was filled with mud, and a steel cap was welded at the top of surface casing.

This procedure was okayed by the Colorado Oil and Gas Commission, ^{Mr. Knight} may eventually use this hole for a water well.

By signing this statement, Mr. Ken Knight releases Patrick A. Doheny from any further responsibility, and assumes responsibility for the above described well.

Signed: Ken Knight
Witnessed by: Dan R. Riesel
