RE: FINDEIS NO. 3

To Whom It May Concern:

Enclosed please find our application for permit to drill on the above stated lease. Also enclosed is a check for \$75.00 along with the surveyor's plat regarding such lease. Please be advised, however, that the heading on the plat is wrong. It should be the FINDEIS NO. # in Township 2 North, Range 54 West of Section 18. The heading is wrong as far as the township, however below in the certificate the township is correct.

We have requested a new certificate and will forward same when received.

Thank you.

Sincerely,

ALFRED WARD AND SON
