A photograph of a wastewater treatment facility. In the foreground, there is a green metal fence. Behind the fence are three large, cylindrical concrete tanks. Each tank has a metal walkway on top and a small sign on its side. The tanks are connected by a network of pipes and valves. The ground is covered in gravel. In the background, there is a dry, hilly landscape under a cloudy sky. The text "Mar 12, 2024 at 10:28:59 AM CO" is overlaid in the top right corner.
