<p>ECMC Inspection Report Summary                      On Wednesday 3-13-2024 at approximately 1310 hrs. I, Inspector Robbie Revas, Conducted an on-site inspection: This Field Inspection is due to a 901 order.                      Operator: KP Kauffman                      Location name:                      Location ID # 336292                      Well Name: Milton H. Nelson unit B1                      API # 05-123-09493                      County: Weld                      Weather: Overcast, light rain.                      Location: mostly damp                      While there, I observed a wellsite, SI at the time of the inspection.                      During this inspection, I observed the following possible compliance issues:                      417.b MIT SI wells: CA Date 4-13-2024.                      606 unnecessary equipment: CA Date 4-13-2024.                      See attached photos.                      A follow up site inspection is needed to ensure that the addressed Compliance issues comply with ECMC rules.</p>	revasr	03/13/2024
