OPERATOR COMMENTS AND SUBMITTAL

Comments: This location is being amended to expand to the south, add wells and revise equipment. The existing road is too close to the county ROW, so this will be reclaimed and a new road will be constructed to access the pad. Existing equipment will be removed and a new facility will be installed on the NW of the pad. The 3 producing wells will remain on location.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct and complete.
