Response: CA COMPLETED Date of Completion: 03/15/2024

Operator Comment: KODA Exploration LLC (KODA) is currently preparing a variance request application for hearing for a Surface Owner Reclamation Variance for the two-track access road, entryway and gate. It is anticipated that this application will be submitted via the hearing efilng system within the next few weeks upon sign off from Surface Owner(s) of the Final Reclamation Agreement.

KODA is preparing to mow and drill seed the pad as soon as weather including any snow present is melted and

risk of potential brush fire has been reduced. KODA and will be monitoring over the next month to find the most appropriate timing for these operations. Granite Seed Mix (125 lb) has been ordered, received on March 11th, 2024 and is being stored by landowner.

COGCC Decision: _____

COGCC
Representative:

OPERATOR COMMENT AND SUBMITTAL

Comment: This FIRR is being submitted in response to recent inspection on this location. An updated FIRR will be filed with updated photo documentation when mowing, and seeding reclamation activities have occurred.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
