<p><b>COGCC Inspection Report Summary</b>                      On Monday 3/18/2024 at approximately 12:55 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Roy K 25-64-1HN Pad, location #426929 in Weld County, Colorado.                      While there, I observed that the wellhead sign lacked accurate information and an emergency contact number and there was unused equipment on location. During this inspection the following possible compliance issues were observed: Rule 605.d. with a corrective action date of 4/19/2024, Rule 606. with a corrective action date of 4/19/2024. A follow up inspection on this site needs to be conducted to ensure the compliance issues have been corrected to comply with ECMC rules.                      This is a summary of the inspection report.</p>	petersont	03/18/2024
