<p><u>ECMC Inspection Report Summary</u>                      Inspector Michael Kester, conducted an on-site inspection.                      Location: Sebold Dorothy B1                      Operator: KPK                      API#: 123-10126                      County: Weld                      While there, I observed well site with pumping unit,                      During this inspection, the following possible compliance issues were observed:                      Mechanical integrity Testing, Rule 417b, corrective action date 4-19-2024                      Debris/dead vegetation, Rule 606, corrective action date 4-19-2024                      Weather conditions: sunny and dry                      A follow up on this site inspection needs to be conducted to ensure the                      Compliance issues have been corrected to comply with ECMC rules.                      This is a summary of inspection report.                      This inspection does not nullify any orders or NOAV from the ECMC                      This is a continuing education inspection</p>	kesterm	03/19/2024
