Section 9, T21S-R48W, Bent County,  
Colorado

Dear Mr. McIntyre:

The State #1-9 referred to in your letter dated July 25, 1961, has had a change in name to State-Franzman well #1. Frankfort Oil Company has been referring to such well as a gas well and has effectuated a Designation of Consolidated Gas Unit which includes the entire Section 9, Township 21 South, Range 48 West.

I hope the above information will satisfy your interest in this matter, if not, we will promptly cooperate with your pleasure.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO

Gentlemen:

Reference is made to your letter of August 9, 1960,  
wherein you advised us that the State #1-9 well was then shut in  
and was being considered, more or less, in a transition period  
of classification as an oil or gas well.

Can you further advise as to the present classification  
of this well?

Very truly yours,

SINCLAIR OIL & GAS COMPANY
