Inspection Photos

Operator Name: TEP ROCKY MOUNTAIN LLC - 96850

Location ID: 311852

Photo 17: Photo left taken from the 9/6/2023 inspection; photo right shows Noxious weeds (Halogeton) observed during the 9/6/2023 inspection remain, and appear to have matured during the 2023 growing season. Unable to find evidence that weed management activities had been performed on the Location prior to maturation, flowering and seed dispersal; Halogeton evident throughout the entire interim area. Additional and ongoing weed management efforts required.
