Reclamation Specialist	Per the rule 407.a, Operators should submit a Form 45 within 45 days of completion of interim reclamation. The form was submitted after 45 days of interim reclamation completion.	08/08/2023
Reclamation Specialist	Approval/Passing of the form 45 acknowledges that the Oil and Gas Conservation Commission has received the notice. Areas detailed on the Form 45 as-built displayed on the COGIS map may not comprise all areas not needed for production operations, therefore requiring interim reclamation. A field inspection will be conducted at a future date to evaluate compliance with interim reclamation requirements.	08/08/2023
