057-06069 Margaret Spaulding 7 P&A - Duco Daily Reports

AUGUST 27, 2021. Day 1. Move in equipment. Check pressures. Dig out B.H. SITP: 120 PSI SICP: 120 PSI. SIBH: 50 PSI. RU Host for Wireline. WL, RIH & tags existing CIBP @ 2521'. WL dump bails 3 SKS on top. WL runs CBL log from 2500' up to surface found cement top @ 1350'. WL, RIH & sets CIBP @ 1450'. WL dump bails 3 sks on top. WL sets CIBP @ 775'. Bring on pump & pressure test 5.5" CSG to 470 PSI. held solid 15 minutes. WL perfs @ 750' (3-1/8" gun 4SPF 19grame charges). Bring on pump going down 5.5" CSG & returning out 8-5/8" CSG, after 10 BBLS we break circ. clean hole up with 20 BBLS fresh water. then mix & pump 35 SKS (3% Calcium Chloride mixed in it) = 7.16 BBLS cement. Est TOC @ 650'. Displace with 15.86 BBLS fresh water. W.O.C 2 hours. WL RIH & tags TOC @ 640', great tag. Yah Duco. WL pulls up hole & perfs @ 365' (3-1/8" gun 4SPF 19grame charges) POH, RDWL. bring on pump & roll hole with 10 BBLS fresh water. Watch for bubbles. Well is static. Mix & pump 80 SKS = 16.384 BBLS cement. Est TOC @ 125'. Displace with 3.1 BBLS fresh water. Stephen Wolfe lets well equalize then we shut it in. Will return & tag in morning.

AUGUST 28, 2021. DAY 2: SICP: 0 PSI. SIBH: Sucking. RUWL, WL RIH & tags TOC in 5.5" CSG @ 170'. POH, RDWL. Dig out & cut wellhead off 6' below surface. Run measuring device down 8-5/8"X5.5" annulus to tag TOC roughly @ 155'. Well is standing full off water & is static, will return tomorrow to pump top job.

AUGUST 29, 2021. DAY 3: Well is still standing static @ surface with fluid. Run 1" poly line down 8-5/8" B.H 42' (hit collar could not get to 50') mix 9 SKS to get cement to surface in 8-5/8"X5.5" B.H. then move 1" poly line to 5.5" CSG & run it down 100'. Mix & pump 12 SKS to get cement to surface. Clean & drain up. Will return latter to weld on name plate.

SEPTEMBER 1, 2021: Well is standing full og great DUCO INC. Cement. Stephen Wolfe see's & Likes. He gives final approval to weld on nameplate. backfill hole. Well is P&A'D. BOOM!!! another one put to sleep.
