Dear Mr. Rogers, Director

Attached please find reports on a well in that Dyco drilled in Colorado. The reports were returned to us for cementing tickets, we have contacted Gear Drilling Company many times regarding these tickets, and that said they would take care of this matter.

I have been holding these papers, due to the fact that I thought Gear Drilling would send me cementing tickets. We still have not received these and they state they mailed them to your office. So therefore, I'm returning are reports to go along wiht the well.

If you have any questions regarding this matter, please let me know.

Yours very truly,

DYCO PETROLEUM CORPORATION
