Re: Plugging Reports on the  
Miller No.1-15  
SW NW Sec.15-9N-56W  
Weld County, Colorado

To Whom It May Concern:

Enclosed please find Cement Affidavit on the Miller No.1-15. I have attempted numerous times to contact Mr. Hibbert in Texas in order to obtain a geological report in order to complete the plugging reports on this location. Unfortunately, Mr. Hibbert has not cooperated with me at all. I am trying to close out our file on this location also and thought maybe your office could persuade Mr. Miller to complete the plugging reports himself.

Thank you for your time and concern in this matter.

Sincerely,

GEAR DRILLING COMPANY
