Weld County, Colorado

Gentlemen:

Enclosed are two (2) copies of the Application for Permit to Drill (Form 9-331-C) along with our check in the amount of \$75.00 for the filing fee.

For your information, the USGS completed their inspection of the wellsite on January 10, 1979. We have executed a drilling contract with Exeter Drilling Northern, Inc. and anticipate commencement of the well to be "within 45 days after receipt of approval of the location from the appropriate government and regulatory agencies."

We will appreciate your earliest attention on this matter.

Sincerely,

William C. C. Barnes
