**ECMC Comments**

Comment	User	Date
<p>COGCC Inspection Report Summary                      WEATHER CONDITIONS: Sunny, dry ground.                      On Tuesday, April 9, 2024 at approximately 1045, I, Inspector Brittani Santistevan, conducted an on-site inspection at JACK NOEL 5-2-18, 1-18 (PDC Energy), at location ID: 332756 in WELD COUNTY, Colorado.                      While there, I observed shut in wellheads.                      During this inspection the following possible compliance issues were observed:                      1. It appears one wellhead has overgrown vegetation outside of fencing. Comply with Rule 606. (Corrective Action Date: April 16, 2024) See attached photo #3.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	santistb	04/09/2024
