Hi Bob,

Yes, I just heard back today – the County would like the flowlines to be abandoned in-place. If the flowlines to be abandoned in-place are non-metal, please make sure to put a tracer in them, per 12-600 D.1.b of the Boulder County Land Use Code.

Thank you,
Michael Sylvester

Michael,

Do you have an update as to what the County would like done with the flowline north of Kenosha road on Boulder County owned land? Abandoned in place or remove? We have a little bit of time yet (probably a couple of weeks), but wanted to reach out and see if you had direction for us.

Thanks,
