Gentlemen:

Re- Oil Lease 2/23/71  
Township 7 N-67W-  
Section 35  
Gress Lair Brooks

Brooks Exploration Co. is the lessee on the above lease. As the lease has expired we requested that the drilling site be put in order. There has been no activity around the well in over a year. The lessor informed us that Jim Schneider Drilling Co was to clean the site up. I have been unable to contact the drilling Co.

Will you please use your influence in this regard?

Sincerely

J. L. Gress
