<p>COGCC Inspection Report Summary On Tuesday 5/7/2024 at approximately 15:00 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Stroh 35-1 location #326934 in Weld County, Colorado. While there, I observed that the wellhead sign was not posted and required replacement. During this inspection the following possible compliance issues were observed: Rule 605.d. with a corrective action date of 6/14/2024. A follow up inspection on this site needs to be conducted to ensure the compliance issues have been corrected to comply with ECMC rules. This is a summary of the inspection report.</p>	petersont	05/07/2024
