Dear Mr. Johnson,

This letter is in reference to lease inspections conducted on September 8, 1987 in T6N-R67W, Weld County, Colorado.

The following wells are in need of lease signs and Tank ID's. I have enclosed an example of the tank numbers required.

Also of concern is the skim pit overflow at the Felte #1 Sec 34-7n-67W, and general weed growth in the separator areas and high water level in the Swanson #1 SENW 24-6N-67W pit.

If you cannot install the required ID's by October 10, 1987 notify this office at (303)866-3531..

Yours truly,

A handwritten signature in cursive script that reads "Stephan Pott".
