Dear Mr. Williams:

Re: #108810 - Edward D. Smith and
G. L. Wickland

A review of our files indicates that the subject well, #1 Wilson, NE $\frac{1}{4}$ SW $\frac{1}{4}$ 22-7N-63W, has been abandoned in conformity with the rules and regulations of the State of Colorado. However, the log was not filed.

By copy of this letter, I am requesting G. L. Wickland and E. D. Smith, 204 Kinney Building, Greeley, Colo., to submit a complete log and completion data on this well. Forms OGCC-2 are being sent to them for this purpose.

When we have received such log, the final provision of the regulations will have been complied with and the liability can then be terminated.

Sincerely yours,

Director.
