Comment:

<p>Appears the Operator has performed final reclamation activities, with the evidence of germination throughout the former tank battery location. This location will remain "in-process" until it can be inspected at a later date to verify vegetative compliance. Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. Refer to attached inspection photos.</p>
