Comment: This location does not comply with Rule 1004. During this inspection, it was observed that the access road has not been reclaimed (contoured/graded) and road base material exists throughout. The surface owner was onsite during this inspection and explained to Staff that they currently use the access roads and want to keep them for management purposes on the property. The Operator will need to submit a variance request or reclaim the access roads in accordance with 1004 Rules. Refer to attached inspection photos for additional.
