Comment: Stormwater ponding adjacent to the wellhead and on the northern section of the location.**Corrective Action:** Comply with Rule 1002.f.(2)- Install or repair required stormwater and erosion control BMPs to properly divert stormwater runoff, and well as to stabilize the working pad surface, and to minimize tracking and off-site sediment transport.
Ensure BMPs are installed in accordance with good engineering practices and maintained in a proper functioning condition; ongoing stormwater management required until Location receives a passing final reclamation inspection.
