General Comment:[ECMC Inspection Report Summary](#)

On Wednesday 5/1/2024, I, Inspector Scott Ramsey, conducted a routine inspection at Open Range 18 pad, at Location # 447512 in Jackson county Colorado.

Any Corrective Actions from previous Inspections that have not been addressed are still applicable.

While there, I observed normal operations. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife black bear Management and Density habitat.

During this inspection the following possible compliance issues were observed:

1. Random debris
2. Random staining
3. Lack of battery signage
4. Some areas show lack of stabilization/compaction

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
