

Kerr-McGee Oil & Gas Onshore LP

Community Consultation Plan

Filly Oil and Gas Development Plan (OGDP)

This includes four proposed pads:

Descent Fed 8-22HZ

Midnight 1-27HZ

5 Minutes to Midnight 8-34HZ

Wallstreet Fed 8-3HZ

Weld County, Colorado

December 2023

FILLY OGD PROXIMITY TO RBU RECEPTORS

Pad or Facility	# RBUs within 2000'	Closest RBU to Working Pad Surface (WPS)	# RBUs within 1000'
Descent Fed 8-22HZ	0	2,000'+	0
Midnight 1-27HZ	0	2,000'+	0
5 Minutes to Midnight 8-34HZ	0	2,000'+	0
Wallstreet Fed 8-3HZ	0	2,000'+	0

- The planned development avoids impacts on residents by well pads and facilities located more than one (1) mile from the nearest Residential Building Unit.
- The proposed Filly OGD area is in a geographically remote area located north of Roggen, CO, and south of U.S. Highway 34.
- Traffic will be contained within the FILLY OGD boundary and U.S. Highway 34, avoiding County roads or residential streets.

FILLY OGD BLOCK GROUP DEMOGRAPHICS

Located within 2,000' of a DIC	Block ID	EnviroScreen Score Percentile and Percent	Low Income	People of Color	Housing Burdened	Low-English Proficiency
Descent Fed 8-22HZ	81230025022	56.823 percentile and 31.868%	41%	28.6%	29.1%	1.2%
Midnight 1-27HZ	81230025022	56.823 percentile and 31.868%	41%	28.6%	29.1%	1.2%
5 Minutes to Midnight 8-34HZ	81230025022	56.823 percentile and 31.868%	41%	28.6%	29.1%	1.2%
Wallstreet Fed 8-3HZ	81230025022	56.823 percentile and 31.868%	41%	28.6%	29.1%	1.2%

* Over the past 12 months

- The FILLY OGD is under the 80% EnviroScreen percentile and does not exceed 40% in People of Color, Housing Burden, or 20% in Low English Proficiency.
- The FILLY OGD is in a Low Income community with a 41% of homes being low income.
- The FILLY OGD is in a Disproportionately Impacted Community.

COMPLETED COMMUNITY CONSULTATION

- KMOG held a community meeting on May 23, 2022, for the Bronco CAP, which includes the Filly OGD, to provide the project overview and answer questions. The meeting slides are linked on our website, [Bronco Comprehensive Area Plan | Oxy Colorado Stakeholder Relations](#)
- The ECMC approved the Bronco CAP, which includes the Filly OGD, on August 10, 2022.
- KMOG provided a 30-day application notice for our Weld County Comprehensive Development Plan (CDP) via certified mail to the five interested parties, including Cervi Enterprises Inc., the State of Colorado, ECMC Director, CPW, and Weld County OGD.

PLANNED COMMUNITY CONSULTATION

Stakeholder Best Management Practices (BMPs):

- The Stakeholder Relations team is a dedicated resource for community members, and we are available during daytime and evening hours. We respond to community inquiries within one business day.
- Proactive community consultation includes sharing information, listening to community members, and considering their input and concerns related to all aspects of our operations, including public health, safety, and welfare
- We offer multiple ways for stakeholders to communicate with us, including phone, mail, email, text, in-person, and our stakeholder website. We will adapt our outreach to meet each stakeholder’s preference

The following provides specific details about our planned outreach for the Filly OGDG. A final report detailing all community engagement will be submitted to the ECMC before the OGDG hearing

Planned Community Consultation Throughout Permitting:

- The stakeholder team is available to those with questions or interests in this OGDG to listen to feedback and answer questions. The OGDG area is not linguistically isolated; however, we will include an offer for interpretation services
- We will offer the community a variety of engagement opportunities, such as community meetings, door-to-door, small group meetings, phone calls, and emails upon request
- In addition to having direct conversations and other notices, we will send the completeness letter to all interested parties and post it to the stakeholder website. The letter will include the following information:
 - Proposed location description and map, including legal description
 - The number and orientation of wells, types of equipment, and infrastructure related to anticipated operations
 - A description, proposed timeline, and expected duration of planned operations, including construction, drilling, completions, production, and reclamation
 - The proposed haul routes and traffic volume associated with each phase of operations
 - A description of each stage of operation along with a description of our BMPs to mitigate potential impacts, including noise, light, odor, dust, traffic, and visual
 - Contact information for our Stakeholder Relations team

Planned Community Consultation After OGDG Approval:

- Send all required ECMC and Weld County notices
- Provide frequent project updates and post all notices and hearing information on the dedicated OxyColoradoStakeholder.com/bronco-cap web page
- Throughout the entire life of the wells and facilities, our Stakeholder Relations team is available via:
 - **Phone:** 1.866.248.9577
 - **Email:** ColoradoStakeholder@oxy.com
 - **Website:** OxyColoradoStakeholder.com
 - **Our 24-hour Integrated Operations Center:** 970.515.1500
