In the event the enforcement of a claim for indebtedness, arising hereunder, is placed in the hands of an attorney for collection the customer agrees to pay all costs of collection and reasonable attorney's fees, which in no event shall be less than \$75.00.
- (2) Because of the uncertain conditions and hazards existing in a well which are beyond the control of Goodwell, Inc., it is understood by the customer that Goodwell, Inc., cannot guarantee the results of the services and will not be held responsible for personal or property damage in the performance of their services.
- (3) Should any Goodwell, Inc., instruments or equipment be lost or damaged in the performance of the operations requested, the customer agrees to make every reasonable effort to recover same, and to reimburse Goodwell, Inc., for the value of the items which cannot be recovered, or the cost of repairing damage to items recovered. The customer also acknowledges that he is aware of the facts, that the neutron source used in neutron logging is radioactive and is potentially dangerous; if the neutron source should be lost in the well special precautions must be taken in "fishing" in order that the neutron source container not be broken or damaged; that the neutron source, if not recovered, must be isolated by cementing it in place or by some appropriate means and that radioactive material is dangerous to human beings and animals.
- (4) It is further understood and agreed that all depth measurements shall be supervised by the customer or its employees.
- (5) The customer certifies that it has the full right and authority to order such work on such well and that the well in which the work is to be done by Goodwell, Inc., is in proper and suitable condition for the performance of said work.
- (6) The customer agrees to pay any and all taxes, fees and charges placed on services rendered by Goodwell, Inc., by governmental requirements including city, county, state and federal taxes and fees or reimburse Goodwell, Inc., for such taxes and fees paid to said agencies.
- (7) No employee is authorized to alter the terms and conditions of this agreement.
