<p>COGCC Inspection Report Summary On Wednesday 6/5/2024 at approximately 10:30 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy HSR Stroh 11-35 location #326834 in Weld County, Colorado. While there, I observed that the crude oil tank berm had sustained storm water damage. During this inspection the following possible compliance issues were observed: Rule 603.o. with a corrective action date of 7/8/2024. A follow up inspection on this site needs to be conducted to ensure the compliance issues have been corrected to comply with ECMC rules. This is a summary of the inspection report.</p>	petersont	06/05/2024
