Noble Energy, Inc.  
1099 18<sup>th</sup> Street, Suite 1500  
Denver, CO 80202

**RE: ECMC Rule 408.u. Statewide Fracture Stimulation Setback  
NWNW Section 24, Township 5 North, Range 67 West  
Proposed Horizontal Wells: Windom 01N, and Windom 02C  
Weld County, Colorado**

To whom it may concern:

PDC Energy, Inc. (“PDC”) is applying to the Colorado Energy & Carbon Management Commission (“ECMC”) to drill wells on the above referenced locations. ECMC Rule 408.u. stipulates that no portion of a proposed wellbore’s treated interval shall be located within 150 feet from an existing (producing, shut-in, or temporarily abandoned) or permitted oil and gas wellbore’s treated interval without the signed written consent from the operator of the encroached upon wellbore. As currently planned, the treated interval of the following wells operated by Noble Energy, Inc. (“Noble”) are within 150 feet of the proposed horizontal’s treated interval:

PDC Proposed Well	Encroached Upon Well		Interwell Distance
Windom 01N	D.L. PHILLIPS #24-22	05-123-18369	23
Windom 02C	PHILLIPS PC #N24-19	05-123-25878	87

Per ECMC Rule 408.u., PDC is requesting Noble’s consent to the encroached upon setback for the existing wells referenced above. Should you find this acceptable, please so indicate by executing a copy of the consent and returning to my attention in the provided self-addressed stamped envelope.

If you should have any questions or require additional information, please contact me at your earliest convenience at (303) 381-6140 or [Mark.Seligman@chevron.com](mailto:Mark.Seligman@chevron.com).
