Jeff and Kenneth,

This email chain pertains to 1 of 3 landowners giving approval to abandon the flow line in place on the Bergman 1/Bergman 32-8 wells. I hope to have the remaining two approvals by the end of this week.

Thank you,

Yes we understand it will be capped and left under ground.

Dennis and Joyce,

As discussed over the phone, if you could just respond back and acknowledge that the flowline will be properly evacuated, depleted to atmospheric pressure, cut and sealed below grade.

Thank you and keep me posted if any issues come up.

Best,
