Morning,

This email being forwarded covers landowner 2 of 3 regarding abandoning the Bergman 32-8 flowline in place.

I am just waiting on the Steele family to confirm with me and then we will have everyone on board.

Thanks,

John and Linda,

As discussed over the phone, if you could just respond back and acknowledge that the flowline will be properly evacuated, depleted to atmospheric pressure, cut and sealed below grade.

Thank you and keep me posted if any issues come up.

Best,  
-Justin
