Kenneth and Jeff,

This is the last landowner acknowledgement needed to abandon the Bergman 32-8 flowline in place. Emails have been forwarded over for all three owners being: Chrismon, Jaramillo and Steele.

Let me know if you need anything else.

Thanks,

Mr. Steele,

As discussed over the phone, if you could just respond back and acknowledge that the flowline will be properly evacuated, depleted to atmospheric pressure, cut and sealed below grade, that will be all we need on file.

Thank you again and keep me posted if any issues come up.

Best,  
-Justin
