<p>ECMC Inspection Report Summary WEATHER CONDITIONS: sunny, dry ground. On Tuesday, June 25, 2024 at approximately 1140, I, Inspector Brittani Santistevan, conducted an on-site inspection at OPEL #4 (PDC Energy), at location ID: 328189 in WELD COUNTY, Colorado. While there, I observed a temporarily abandoned wellhead. During this inspection the following possible compliance issues were observed: 1. The operator name is no longer legible and sign also displays wrong wellhead name. Install sign to comply with Rule 605. (Corrective Action Date: July 25, 2024) See attached photo #1. 2. Overgrown weeds outside/inside wellhead fencing. Comply with Rule 606. (Corrective Action Date: July 9, 2024) See attached photo #2-5.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	06/25/2024
